## Ofertorio / Administracion

### Lenten Regulations / Reguciones de Cuaresma

The **Lenten rules for fasting and abstinence are:** every person 14 years of age or older must abstain from meat (and items made with meat) on Ash Wednesday, Good Friday, and all the Fridays of Lent. Every person between the age of 18 and 59 (beginning of 60th year) must fast on Ash Wednesday and Good Friday. **Abstinence** laws consider that meat comes only from animals such as

chickens, cows, sheep or pigs --- all of which live on land. Birds are also considered meat. Abstinence does not include meat juices and liquid foods made from meat. Thus, such foods as chicken broth, consommé, soups cooked or flavored with meat, meat gravies or sauces, as well as seasonings or condiments made from animal fat are technically not forbidden. Fish are a different category of animal. Salt and freshwater species of fish, amphibians, reptiles, (cold-blooded animals) and shellfish are permitted. **Fasting** on these days means we can have only *one full, meatless meal*. Some food can be taken at the other regular meal times if necessary, *but combined they should be less than a full meal*. Liquids are allowed at any time, but no solid food should be consumed between meals.

**Las reglas cuaresmales para el ayuno y la abstinencia son:** cada persona de 14 años de edad o mayores deben abstenerse de comer carne (y artículos hechos con carne) Miércoles de Ceniza, Viernes Santo y todos los Viernes de Cuaresma. Toda persona entre los 18 años y 59 (comienzo al cumplir los 60 años) debe ayunar el Miércoles de Ceniza y el Viernes Santo. **Leyes de Abstinencia** consideran que la carne proviene sólo de animales como pollos, vacas, ovejas o cerdos --- todos los cuales viven en la tierra. Las aves también son consideradas carne. La abstinencia no incluye jugos de carne y los alimentos líquidos a base de carne. Por lo tanto, alimentos como el caldo de pollo, consomé, sopas cocidas o con sabor a carne, salsas de carne o salsas, así como condimentos o aderezos hechos de grasa animal técnicamente no están prohibidos. Los peces son una categoría diferente de animal. Especies de peces, anfibios, reptiles, (animales de sangre fría) sal y agua dulce y mariscos están permitidos. **Ayuno** en estos días significa que sólo podemos tener una comida completa, sin carne en el día. Algunos alimentos pueden tomarse entre comida regular, si es necesario, pero combinado deben ser menos de una comida completa. Líquidos son permitidos en cualquier momento, pero no se debe consumir ningún alimento sólido entre las comidas.

In today's second reading, St Paul urges the Corinthians to "do all for the glory of God." If we follow that advice in everything we do, we cannot help but be good stewards!

En la segunda lectura de hoy, San Pablo incita a los Corintios a hacer todo por la gloria de Dios." Si seguimos ese consejo en todo lo que hacemos, ¿no podemos más que ser buenos administradores!
