AIDS MINISTRY LEADER - St Philip's AIDS Ministry is in dire need of a ministry leader. Looking for a compassionate person who would like to work with HIV/AIDS clients and wants to lead this special ministry. Interested? Contact John Patterson at 770-968-9638.

Jesus tells us that He is sending the Spirit to us. The Spirit is the Word speaking to us in a most profound way because he dwells with us and guides us to all truth. This Spirit is all we need, provided we allow the Spirit to speak through us and not turn God's word into our word. Openness to the Spirit within is our guarantee that what we speak as disciples is spoken in Jesus' name. This Pentecost commemoration isn't simply recalling a past event but celebrating what God is doing with us now. In Baptism each of us received the Spirit; that was our Pentecost. The Spirit dwells within us so we can be faithful and true disciples. That indwelling of the Spirit is a continual Pentecost.

Jesús nos dice que nos está enviando el Espíritu. El Espíritu es la Palabra que nos habla de una manera muy profunda porque él vive con nosotros y nos guía a toda la verdad. Este Espíritu es todo lo que necesitamos, siempre que permitamos que el Espíritu hable a través de nosotros y no convierta la palabra de Dios en nuestra palabra. La apertura al Espíritu

interior es nuestra garantía de que lo que hablamos como discípulos se pronuncia en el nombre de Jesús. Esta conmemoración de Pentecostés no es simplemente recordar un evento pasado sino celebrar lo que Dios está haciendo con nosotros ahora. En el Bautismo, cada uno de nosotros recibió el Espíritu; ese fue nuestro Pentecostés. El Espíritu vive dentro de nosotros para que podamos ser fieles y verdaderos discípulos. Esa morada del Espíritu es un Pentecostés continuo.
