**The Lord is King;
He is robed in majesty.**

In today's first reading, the prophet Daniel says, "...all peoples, nations, and languages serve Him." As Christian stewards, are we making every effort to do God's will and serve Him by using our time, God-given gifts, and financial resources to do His work here on Earth?

**El Señor reina
vestido de majestad.**

En la primera lectura, el Profeta Daniel dice: "... todos los pueblos, Naciones y lenguas le sirven." ¿Como cristianos, estamos haciendo todo lo posible para hacer la voluntad de Dios y servirle a él mediante el uso de nuestro tiempo, dones dados por Dios y recursos financieros para hacer su obra aquí en la tierra?

UNIQUELY YOU

From your first moments of existence, you had all the DNA that would determine your sex, facial features, physique, and the color of your skin, hair, and eyes. At 24 days, your heart began beating. By 8 weeks, all your organs were present, and your unique fingerprints were forming. Ultrasounds show that by 18 weeks, you could swim, somersault, suck your thumb, and even cover your ears if you heard loud music. If you'd been born just 23 weeks after conception, your chance of survival would be 50-80 percent; by 25 weeks, it's over 90 percent, and that's still *months* before full-term birth.

A los 24 días, tu corazón comenzó a latir. A las 8 semanas, todos tus órganos estaban presentes, y tus huellas digitales únicas se estaban formando. Los ultrasonidos muestran que, a las 18 semanas, puedes nadar, dar volteretas, chuparte el pulgar e incluso cubrirte los oídos si escuchas música alta. Si hubieras nacido tan sólo 23 semanas después de la concepción, tus probabilidades de supervivencia serían del 50 al 80 por ciento; a las 25 semanas, de más del 90 por ciento, y eso que todavía faltan meses para el nacimiento a término.
